

Magical Croatia and the Adriatic Tour

The tour will be 11 days/10 Nights with 8 days riding. This includes a rest day in the magnificent city of Dubrovnik

An exciting combination of roads, accommodation, gastronomy and famous attractions in the stunningly beautiful country of Croatia.

You will be accompanied by Karel and Howard, and their local Croatian tour partner Robert, who will make this a truly unbelievable adventure that you will never forget!

While riding fantastic roads, you will experience the amazing castles and fortresses that are centuries old, while enjoying the exquisite beauty of the Adriatic coast and rugged mountainous high country. Some of the walled cities and castles in Croatia were used as sets for the Game of Thrones TV Series, they were made for the show, about 800 years ago 🕌.

We do ride on the right side of the road there and riding with a group is a great way to stay safe.

This ride is a very special experience with so many “wow” moments it truly will be the ride of a lifetime for you.
